Dear Christine

I am pleased to advise that the Public School Review of Bayswater Primary School has been completed. I endorse the report and am satisfied it will provide a basis for sustained school improvement.

The timeframe for the next Public School Review of your school has been determined through your self-assessment submission and validated by the review team as 3 years. You will receive formal notification in the 2 terms leading up to your school's scheduled review. This notification will be provided in 2026.

I acknowledge the efforts of you and your staff in creating the conditions for successful students. The areas your school and the review team validated for commendation and those for which there are recommendations for ongoing improvement are noted.

I note there has been a significant turnaround in the school's focus on implementing consistent, evidence-based teaching which has resulted in improved student academic outcomes. I acknowledge the ongoing work of the leadership team and engagement of staff in achieving this.

As stated in the initial correspondence, please make the report available to your staff and school community and upload it to your school website and/or Schools Online for a minimum period of 12 months.

I know you, your staff and school community will take the opportunity to use this report to continually improve outcomes for your students.

Yours sincerely
